

# 'World-class' Wound Care

*Charles Schroeder, Bellevue, Iowa*

Do you have a persistent, painful wound? Genesis is the first wound care facility to offer the Quoustic Wound Therapy System, a next generation treatment that focuses ultrasonic energy on wounds to advance the healing process.

## **Genesis Wound/Ostomy Clinic**

**Pav. 2**

**Genesis West Central Park campus**

**(563) 421-1585**

“When Mayo Clinic suggested a new treatment option for my leg wounds, I asked if there was anywhere in Iowa it was available. They referred me to Genesis Medical Center, Davenport. In a few weeks of treatment, two of my wounds have already healed and the third is healing. I found world-class wound care at Genesis.”

– *Charles Schroeder, Bellevue, Iowa, who found new treatment for leg wounds at the Genesis Wound/Ostomy Clinic.*
